Explanations	

In our material event disclosure dated December 5, 2024, it was announced to the public that the Turkish Competition Authority had initiated an investigation across the sector regarding allegations that undertakings operating in the field of tire manufacturing and distribution in the automotive sector violated Article 4 of Law No. 4054 on the Protection of Competition.

Following the said investigation, it was notified via the summary decision letter issued by the Competition Authority that an administrative fine amounting to TRY 1.019.069.577 has been imposed on our Company, and that the reasoned decision will be notified separately.

Provided that the administrative fine is paid within the prescribed period following the notification of the reasoned decision, it may be settled with a 25% reduction, amounting to TRY 764,302,183. A provision of TRY 392 million has already been recognized in our financial statements in relation to the said investigation.

All our legal rights in connection with the decision will be exercised, and developments regarding the matter will be shared with our investors.

(In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.)

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
